### Mission

- To develop products and services that meet the needs, exceeding the expectation of customers across the globe.

Deli Group started in 1981, now become top 1 stationery brand in China and top 3 stationery brand in the world. Deli is one of the leading office supply brands in the world, providing the global market with affordable, trustworthy, one-stop products and solutions. Deli brings quality and efficiency to every customer.

Office furniture has become one of our key sections for the Deli brand. We are committed to becoming a leading and recognized office furniture brand across multiple channels. Meanwhile Deli and Plus have joined forces in product development, production, sales and launched a new brand—Deli Plus.

# Slendder Series

The Slendder series is inspired by the classic Eames aluminum chair. Modern materials and technology bring new vitality to the classic chair. The series adheres to the concepts of minimalism and integration, featuring a simple experience and concise appearance, suitable for a variety of space.

## SLENDER SERIES

W56×D51×H90.5-99.5

### Staff Chair

CSSD.01

- Main Material:** Plastic
- Headrest:** /
- Lumbar support:** /
- Armrest:** Nylon Fixed
- Seat:** Linen velvet special mesh
- Seat plate:** Slight tilt of 8° for comfort
- Gas lift cylinder:** Three-stage black powder-coated cylinder 100mm Stroke
- Base:** 340m Five-star nylon base
- Caster:** 50mm Nylon caster
- Packing Type:** Corrugated Carton

- ▲ Extremely optimized to utilize every gram of material strength, lighter than conventional seats
- ▲ Integrated seat and back with reinforced linen velvet fabric for perfect wrapping Fabric + nylon mesh seat provides double-layer reliable support
- ▲ One-piece frame, armrest and custom nylon tilt plate Integral packing for easy assembly
- ▲ Robust quality / BIFMA standard

## Exquisite Details

### Lightweight

Ultimate optimization has been achieved thanks to high-quality materials. Its net weight is 10.7kg, lighter than most of chairs.

### Comfort

The backrest is strengthened with wool fabrics to provide the perfect upholstery. Fabric and nylon network seat surface provides solid support.

### Integration

Integrated frame, armrests, and customized leaning underpan, easy to install.

# Scorp Series

With a streamlined shape, the Scorp series chairs look simple and are down to their essentials. Streamlined design for the side, together with the overall shape of the armrests and lumbar support gives the chair an appearance like a scorpion, while the flexibility of the lumbar support corresponds to the fast-striking scorpion's tail. When the simple and smart design meets a rainbow of colors, it will best match the atmosphere of young enterprises.
